THE PERFECT PLATTER

SERVE YOUR THANKSGIVING TURKEY REGALLY

BY BARBARA KUNTZ

You've set the table with your best linens, freshly washed and pressed. You've polished the special-occasion silverware to a reflecting shine and washed and dried the stemware until it sparkles brilliantly, ready for toasting clinks. You've stayed up late and awakened early to prepare a fabulous feast for your guests, including that turkey you so carefully selected, thawed, prepped and cooked.

Whatever you chose, you're sure to hear echoes of oh's and ah's as you enter the dining room with the regal bird of Thanksgiving...on its proper throne, of course.
